

### **cultural traditions in india pdf**

The culture of India refers collectively to the thousands of distinct and unique cultures of all religions and communities present in India. India's languages, religions, dance, music, architecture, food, and customs differ from place to place within the country. Indian culture, often labeled as an amalgamation of several cultures, spans across the Indian subcontinent and has been influenced by ...

### **Culture of India - Wikipedia**

The term Greater India is most commonly used to encompass the historical and geographic extent of all political entities of the Indian subcontinent, and the regions which are culturally linked to India or received significant Indian cultural influence. These countries have to varying degrees been transformed by the acceptance and induction of cultural and institutional elements of India.
