Dr. Julie Pilitsis provides many inspiring messages regarding the field of neurosurgery in today's society. She discusses the importance of the bond that neurosurgeons share patients and the privilege of helping patients and families achieve a better quality of life. Dr. Pilitsis also provides information about Deep Brain Stimulation (DBS), the procedure, and the impact it has on patients.

Overview Open your mind. Caring for people with various mental health conditions is a rewarding job. As a mental health nurse you can help those living with mental health conditions and play a vital role in supporting them, and their families and carers.

Mental Health Nursing - BSc (Hons) | London South Bank

You don't have to be a health professional or deliver health services to have a positive impact on the health of the community you serve. The CVS Health Network supports and informs organisations and individuals who engage with the community and who are therefore well placed to cascade opportunities, news, training and resources.
