A wake is a social gathering associated with death, usually held before a funeral. Traditionally, a wake takes place in the house of the deceased with the body present; however, modern wakes are often performed at a funeral home or another convenient location. In the United States and Canada it is synonymous with a viewing. It is often a social rite that highlights the idea that the loss is one ...

Wake turbulence is a disturbance in the atmosphere that forms behind an aircraft as it passes through the air. It includes various components, the most important of which are wingtip vortices and jetwash. Jetwash refers simply to the rapidly moving gases expelled from a jet engine; it is extremely turbulent, but of short duration.

What time should the school day begin? School start times vary considerably, both across the nation and within individual communities, with some schools beginning earlier than 7:30 a.m. and others after 9:00 a.m. Districts often stagger the start times of different schools in order to reduce transportation costs by using fewer buses.
