Alistair Cockburn's Writing Effective Use Cases is an approachable, informative, and very intelligent treatment of an essential topic of software design. "Use cases" describe how "actors" interact with computer systems and are essential to software-modeling requirements. For anyone who designs software, this title offers some real insight into writing use cases that are clear and correct and ...

An English writing style is a way of using the English language.. The style of a piece of writing is the way in which features of the language are used to convey meaning, typically but not always within the constraints of more widely accepted conventions of usage, grammar, and spelling.. An individual's writing style may be a very personal thing.

Teaching content to ELs: The challenge. In my work supporting general education and ESL/bilingual teachers who provide sheltered instruction for English learners (ELs), I have met many teachers like Mrs. Shell. While these teachers want to provide effective instruction for their ELs, often they don't see themselves as language teachers and so they aren't sure where to begin with their students.
