Bachelor of Commerce. The Bachelor of Commerce degree is designed to provide students with a wide range of managerial skills, while building competence in a particular area of business (see aside). Most universities, therefore, plan the degree such that in addition to their major, students are exposed to general business principles, taking courses in accounting, finance, business management ...

What is e-commerce? [Electronic commerce or e-commerce refers to a wide range of online business activities for products and services. [] It also pertains to "any form of business transaction in which the parties interact electronically rather than by physical exchanges or direct physical contact." [] E-commerce is usually associated with buying and selling over the Internet, or conducting ...
