Middle School Math. Middle school is one of the best times to begin exploring mathematics: this subject for many middle school kids is scary. Thus, getting rid of this fear of middle school math from the students can be a tough job for the teachers.

Middle School Math: All About Math and Mathematics

"LiveText" Required Q. What is "LiveText"? A. "LiveText" is used by the ULM School of Education as an online commercial service application (livetext.com) for storing digital course content for certification evidence of high quality. In order to receive a course grade in the School of Education, you need an active LiveText account. Q.

Mike Beutner, University of Louisiana at Monroe

A lesson plan is a teacher's detailed description of the course of instruction or "learning trajectory" for a lesson. A daily lesson plan is developed by a teacher to guide class learning. Details will vary depending on the preference of the teacher, subject being covered, and the needs of the students. There may be requirements mandated by the school system regarding the plan.
