Computer reporters " many who've never written about a major virus or worm " are chomping at the bit to write about the Stuxnet worm. But the SANS Internet Storm Center didn't ratchet up their "Threat Level" for the media circus!

Vmyths

Myth is a folklore genre consisting of narratives that play a fundamental role in society, such as foundational tales. The main characters in myths are usually gods, demigods or supernatural humans. Myths are often endorsed by rulers and priests and are closely linked to religion or spirituality. In fact, many societies group their myths, legends and history together, considering myths to be ...
