Introduction Introducing Religion and Nature What are the relationships between human beings, their diverse religions, and the Earth's living

Introduction - Website for the Academic Study of Religion

Introduction to Sociology 2e adheres to the scope and sequence of a typical, one-semester introductory sociology course. It offers comprehensive coverage of core concepts, foundational scholars, and emerging theories. The textbook presents section reviews with rich questions, discussions that help students apply their knowledge, and features that draw learners into the discipline in meaningful ...

International relations theory is the study of international relations (IR) from a theoretical perspective. It attempts to provide a conceptual framework upon which international relations can be analyzed. Ole Holsti describes international relations theories as acting like pairs of coloured sunglasses that allow the wearer to see only salient events relevant to the theory; e.g., an adherent ...

In The Shadows of Glories Past Jihad for Modern Science in Muslim Societies, 1850 to The Arab Spring, 1st Edition. By John W. Livingston. The title of this volume implies two things: the greatness of the scientific tradition that Muslims had lost, and the power of the West, in whose threatening shadow reformers now labored to modernize in order to defend themselves against those very powers ...
