World War II (often abbreviated to WWII or WW2), also known as the Second World War, was a global war that lasted from 1939 to 1945. The vast majority of the world's countries—including all the great powers—eventually formed two opposing military alliances: the Allies and the Axis. A state of total war emerged, directly involving more than 100 million people from over 30 countries.

Horses in World War II were used by the belligerent nations for transportation of troops, artillery, materiel, and, to a lesser extent, in mobile cavalry troops. The role of horses for each nation depended on its military strategy and state of economy and was most pronounced in German and Soviet ground forces. Over the course of the war Nazi Germany and the Soviet Union employed more than six ...
