about sitting down and writing, so you can do it more often, with less internal drama. Next, I'm going to give you the nine best strategies that professional authors are using to get their writing done each and every day. These strategies are taken directly from studying the habits of authors who do this full-time and documenting their patterns.

effective study habits in order to be successful. Very often the study habits and practices developed and used in high school do not work for students in college. Good study habits include many different skills: time management, self-discipline, concentration, memorization, organization, and effort. Desire to succeed is important, too.
