The article above is how you format a picture book manuscript as well. There is no need to actually break the page where you think the page breaks are.

### **how to format your manuscript â€“ Writing for Children and Teens**

A database is an organized collection of data, generally stored and accessed electronically from a computer system. Where databases are more complex they are often developed using formal design and modeling techniques.. The database management system (DBMS) is the software that interacts with end users, applications, and the database itself to capture and analyze the data.

### **Database - Wikipedia**

Information technology (IT) is the use of computers to store, retrieve, transmit, and manipulate data, or information, often in the context of a business or other enterprise. IT is considered to be a subset of information and communications technology (ICT).. Humans have been storing, retrieving, manipulating, and communicating information since the Sumerians in Mesopotamia developed writing ...
