writing the story within pdf

A story within a story is a literary device in which one character within a narrative narrates. *Mise en abyme* is the French term for a similar literary device (also referring to the practice in heraldry of placing the image of a small shield on a larger shield). A story within a story can be used in all types of narration: novels, short stories, plays, television programs, films, poems, songs ...

News style, journalistic style, or news-writing style is the prose style used for news reporting in media such as newspapers, radio and television.. News style encompasses not only vocabulary and sentence structure, but also the way in which stories present the information in terms of relative importance, tone, and intended audience. The tense used for news style articles is past tense.
