Not All Thoughts Are Created Equal: The attractive power of any particular thought is determined by how often you have that thought and by the strength of the feelings or emotions associated with it. The more energy you give to a particular thought, the greater its power to attract its corresponding circumstance into your physical world through the Law of Attraction.

While raw forms of energy are both free and practically infinite, the equipment and materials needed to collect, process, and transport the energy to the users are neither one. Currently, the RE costs are generally higher than that of fossil-based and nuclear energy. In addition to this, unlike well-established conventional designs, the advancement in different RE technologies still requires ...
