Magic Items and Detect Magic. When detect magic identifies a magic item™s school of magic, this information refers to the school of the spell placed within the potion, scroll, or wand, or the prerequisite given for the item. The description of each item provides its aura strength and the school to which it belongs. If more than one spell is given as a prerequisite, use the highest-level spell.

Teleportation is the theoretical transfer of matter or energy from one point to another without traversing the physical space between them. It is a common subject in science fiction literature, film, video games, and television. In some situations teleporting is time travelling across space. The use of matter transmitters in science fiction originated at least as early as the 19th century.
