Research: We're Not Very Self-Aware, Especially at Work

Self-harm, also known as self-injury, is defined as the intentional, direct injuring of body tissue, done without suicidal intentions. Other terms such as cutting and self-mutilation have been used for any self-harming behavior regardless of suicidal intent. The most common form of self-harm is using a sharp object to cut one's skin. Other forms include behaviour such as burning, scratching ...

A secret society is a club or an organization whose activities, events, inner functioning, or membership are concealed from non-members. The society may or may not attempt to conceal its existence. The term usually excludes covert groups, such as intelligence agencies or guerrilla insurgencies, that hide their activities and memberships but maintain a public presence.
